Good morning,

I heard back from the guy from Molly Trolley. This is a multi-generational company that is family owned and operated. I spoke to the son who has been doing this for over 30 years.

<http://www.mollycorp.com/>

- For the original vehicle, they cost \$140,000. Payment is 1/3 down and 2/3 prior to delivery.
- They are built on a Ford Chassis and comes with a 3yr/36k mile warranty. Additional warranties can be purchased.
- The body comes with a 1 year/12K warranty.
- They run off a regular gasoline engine.
- Additional handicapp is an additional \$6,500
- Other optional features are extra, but it already comes with a sound and PA system.

Right now, the waiting list is 6 months, but can be up to 1 1/2 years.

They only construct about 33 of these a year and they are all built to spec.

This was the company that Teddi from Santa Barbara trolley recommended.

I will be very busy for the remainder of the week but let me know if you want to discuss next week.

Best regards,

Lorena Parker
